Description

Antique silver pocket watch chain, Queen Victoria fob. The chain measures 43cm long including the T-bar and the clasp. The T-bar is hallmarked for 1887 with a maker's mark for the Birmingham silversmith Henry Pope. The T-bar is a little out of shape. Each of the links also has a silver mark but they are quite rubbed. The chain comes with a heavy duty silver fob, hallmarked for 1890. It has the coat of arms for Queen Victoria, and was made to commemorate her Golden Jubilee, such items being produced between 1887 and 1892. There would originally have been enamel detail on the fob but some has fallen out over the years. Total weight 59g.
