Description

Antique 20th century oak chest of drawers of good quality and very well made. The piece features a raised gallery to the top, adding elegance and decorative interest, and four central drawers, all fitted with their original handles, offering practical and ample storage. The chest stands on turned legs, giving it a balanced and classic appearance. The oak displays gorgeous grain and rich colour throughout, highlighting the quality of the timber and craftsmanship. A very desirable example in good condition, this chest of drawers is both functional and decorative. Its timeless design and solid construction make it a perfect addition to any home, combining practicality with enduring style.
