Description

A very pretty Arts & Crafts / Art Nouveau period small Double photo frame. The front of the frame is hammered / planished with Red and Green coloured glass jewels. It is made of brass or gilt metal. Two slots at the top to drop your photos, glass and backing board into. Glazed with original photos of two young children, the little boy wearing a sailor's suit. Measuring 7 cm tall x 4 cm wide with an aperture of approx 2.8 cm x 2 cm. Lovely design in good antique condition.
