Vintage Five-Stone Diamond 18CT Gold Engagement Ring

Price

Sold**Item Reference: SA1192992****Date of manufacture: 1930**

Description

A dainty late Art Deco five-stone ring in 18-carat gold, with sparkling old single-cut diamonds set into platinum. We see a lot of these types of rings but this is a particularly pretty one, with great sparkle on the finger. SIZE: Q (UK)/8 (US). The face of the ring is 1.4cm across and it sits around 4mm tall. The five stones graduate in size from approximately 2.5mm at the edges to 3mm at the centre, with a conservative estimate of 0.34 carats in total weight. WEIGHT: 1.7g. MATERIALS: 18-carat (750) gold, diamond. HALLMARKS/STAMPS: Marked 18CT inside the shank. CONDITION: The ring is in excellent antique condition with normal surface wear for an item of this age. ERA: Estimated c.1930s.
