Description

Interesting mid C19th oak armchair with an architectural 'Palladian' style classical back . The shaped triangular classically designed back with a moulded roundel with the tympanium , supported on 2 classical column supports with carved doric capitals within the panelled back-rest , and having flat pilaster sides . Raised on square forelegs with Gothic tracery style decoration, the arms having open arched arch sides with carving moulding details , and having a solid seat . In good original condition with some minor losses to the mouldings . A highly decorative armchair of stylish architectural design, possibly having been conceived for Masonic purposes. H 38" W 22" D 20" England c.1870
