Description

An elegant Edwardian kidney-shaped desk, finely crafted in warm, well-figured mahogany and enriched with delicate satinwood inlay that traces the outline of the top and drawers. The desk offers three drawers with original brass knobs, each running smoothly and providing practical storage. It stands on elegant, slender legs with fluted detailing, united by a beautifully turned stretcher. Brass castors complete the design, allowing the desk to be moved with ease. A charming and versatile piece, ideal as a writing desk, dressing table, or as an attractive decorative feature with all the grace and understated elegance characteristic of the Edwardian period. The height of the knee hole is 56.5cm
