Description

Early 20th century French refurbished oversized station clock Dimensions in inches: H 25" x W 25" x D 5" Age: 1920 Origin: France (Lyon) Condition: Aged Overview This highly decorative untouched French wall mounted station clock has recently been fitted with a new 240v motor mains power source. With adjustable brass hand movement toggle at its base. Its original hanging brackets, Hands, glass facia, and aged painted surface still in place and in original condition. Obtained from the trade in the south of France last month. This clock weighs roughly 15kg and would make a great piece of functional wall décor in our humble opinion. Condition • 100-year-old so expect the condition to reflect this. • Worn and loss of surface paint as shown • Glass is firmly in one piece and in place • Clock works perfect and keeps good time • There is a black cord wire exiting at the base of the clock • With dents to the metal edge as shown in the pictures provided Shipping & Handling • UK Buyers: Delivery available via trusted couriers, including bespoke service for large or fragile items • International Buyers: Shipping available worldwide — please contact us for a custom quote before...
Internal Ref: big clock
