GBP 1,950

| USD \$2,639 | EUR 2,282

Item Reference: SA1193477

Date of manufacture: 1870

Dimensions

Height = 162 cm (63.8")

Width = 72 cm (28.3")

Description

Despite some loss to the top end, this lovely pillar rug is superb. The fearsome dragon floats among the clouds above the architectural images at the lower end. The dragon is beautifully drawn as are all the other images. All the colours are spot-on, and date it to the mid-19th century or earlier. Corrosion in the browns gives a lovely three-dimensional texture. It is a delightful piece which would work equally well on a floor or wall.

Internal Ref: ES190
