Description

A rare pocket sized silver cased tape measure of excellent quality, dating from the Edwardian era. The casing is elegant and stylish, with no engraved initials or monograms. The tape is made of steel, with a sprung mechanism and both metric and imperial measurements. The tape is 1 meter/ 40 inches in length, when fully extended and was possibly a draughtsman's piece. A superb and very desirable item, still usable today. Dimensions below. Postage and packing :- £10.00 UK. £18.00 Europe. £50.00 USA (including 10% tariff). £26.00 Outside Europe Condition :- Excellent, with no holes or splits. The mechanism works well and the tape is complete and in excellent condition. There is a tiny bruise to the side, commensurate with age and use. Hallmarks :- Clear and readable. Date :- Birmingham 1908. Maker :- E S Barnsley & Co. Diameter :- 3.4 cms. Height :- 1.2 cms.
