Description

Antique 20th century low chest of drawers in walnut, very well made and of good quality. The piece features three drawers to the front, all retaining their original brass handles, offering practical storage while enhancing its character and authenticity. The walnut displays gorgeous grain and beautiful figuring throughout, with a rich, warm colour that truly stands out. Its unique low-profile design makes it especially versatile, ideal for use in a bedroom, hallway, or living space. The chest is stood on elegant cabriole legs, adding a refined and decorative touch. A very desirable example in good condition, this low chest of drawers combines functionality with timeless style and would be a perfect addition to any home.
