Description

Victorian quality! This is one of the finest washstands that we have ever had the pleasure of handling. An absolutely delightful late 19th century, top quality washstand in the aesthetic style in immaculate original condition. The elegant floral tiled back is set over a grey marble surface. The main mahogany body has a central drawer and two panelled doors set on plinth bases & unusually containing a pair of campaign style drawers on the inside. Whilst this piece was originally designed for a bathroom, it would be equally at home in a hallway providing a waterproof surface and great storage space.
