Description

Antique 19th century French pair of marble top cabinets in oak, exceptionally well made and of the finest quality. This is a very rare example to find a matching pair, making it a truly desirable and striking set. Each cabinet features a polished marble top with a raised bevel edged mirror back, creating both elegance and practicality. The cabinets are beautifully decorated with highly detailed brass mounts and fittings, showcasing superb French craftsmanship. Both pieces feature two drawers to the upper section and three cupboards to the base, providing generous storage. They stand on turned legs with a shelf to the base, combining functionality with classic design. Crafted from oak, they display gorgeous grain and rich colour throughout, highlighting the quality of the timber. The cabinets are of solid construction, very well made, and presented in great condition, with only some slight ageing to one of the mirrors, which adds character. A rare and highly desirable find, these cabinets are a perfect addition to any home and are sure to catch the eye of any visiting guests. Beautifully detailed and elegant, a superb example of 19th century French furniture. Product R...
