Description

Here's a large old pine storage cupboard that could also be used as a children's wardrobe if the shelves were removed. With an internal depth of 17.5", it isn't quite deep enough for most adult garments to hang front-to-back, but it's a very versatile and attractive piece. The cupboard has a subtly stepped top and is already wax finished, so it's largely ready to go and just needs a final check over. It has a single door with ribbed panel detailing, adding a lovely decorative touch. The door is hung on French-style external hinges, allowing it to open almost fully for easy access. Inside, there are currently three shelves, which can be removed if you'd prefer to use the space for hanging. A hanging rail can be fitted if required. The internal depth makes it ideal for children's clothing, shirts, or lighter garments. Please note: this cupboard does not dismantle for delivery, so careful measuring is advised, especially if it needs to go upstairs. Price: £797 Dimensions: height 73.5", width 50", depth 22.5", internal depth 17.5" (approximately 187 cm × 127 cm × 57 cm, internal depth 44 cm).
