## Description

This church pew is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The church pew would look well in any old or modern property but particularly well in any room for seating purposes and can comfortably seat 3 people. This would be ideal to the side of a kitchen table or in a hallway. The church pew stands on beautifully shaped legs supporting the main section where there is a lovely large seat. The back rest is panelled. There is an original brass carry handle to the one end. We have polished this which is a nice feature. The height is 97cm, the seat height is 44cm, the width is 201cm and the depth is 42cm
