Description

A spectacular late C19th / early C20th cobalt blue glass margin-edged mirror. The shaped arched double dome-top mirror with a carved gilt-wood outer edge and gilt-wood inner moulding surrounding the deep cobalt blue coloured margin panels. The central silvered mirror plate having a subtle bevelled edge surround. A highly decorative and chic mirror of rare larger scale and proportions, taking the design inspiration from early C18th mirror forms. The verso fitted with original panelled back-boards. In excellent original condition with only one minor hairline crack to lower rhs blue panel. H 40" W 26" D 2" England c.1890
