Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. This chest of drawers would look well in a large property bedroom amongst similar antique pine furniture. It is very heavy so I will require a hand off the van with it. If you are looking to furnish a bedroom please view our other items we have many wardrobes and bedside cabinets. This chest stands on lovely round turned bun feet supporting the main section. There are three large drawers. The top drawer is a smaller drawer having compartments which is a nice feature. There are two large drawers beneath. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition with a rounded bull nosed edge. The height is 86cm, the width is 110cm and the depth is 54cm.
