Description

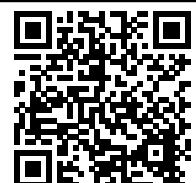

A sleek and stylish pair of Art Deco satinwood and walnut bedside chests. They were made in England, they date from the 1930's. They are of amazing quality and are a very useful size. They are tall and narrow, offering plenty of storage space inside the generous drawers. They are predominantly satinwood, with beautiful burr walnut banding around the edges. The grain patterns and colour tones are absolutely gorgeous throughout. We have had these stripped and re-polished to a very high standard, the condition is superb. We also have the matching tall chest of drawers that came with these, seen listed under our other items for sale. Width – 31 cm , 12 inches Depth – 46 cm , 18 inches Height – 73 cm , 29 inches
