Description

A stunning, fine and impressive antique Victorian 1.40 carat diamond and 18 carat yellow gold dress ring; part of our Victorian jewellery collection. This stunning Victorian diamond ring has been crafted in 18ct yellow gold. This pierced decorated dress ring is ornamented with impressive 0.41ct, 0.40ct and 0.39ct Old European cut diamonds, vertical aligned to the centre. The multi-stranded design incorporates ten diamonds, in a combination of Old European and mine cuts, each pavé set to a foliated terminal. The tapering ring shoulders blend with the setting and meld with the plain hallmarked ring shank. This antique Victorian ring has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold. This impressive antique diamond ring is supplied with three IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting stones. This Victorian multi stranded diamond ring in yellow gold reflects period craftsmanship and enduring sentiment. Well suited to commemorative gifting or as a notable addition to an antique jewellery collection. Images do not ...
