Description

A fine set of 10 oak ladder back country dining chairs already having had new rush seats fitted, cleaned and all joints checked. PLEASE NOTE: Our restorers are still in the process of replacing a couple of oak slips that go in front of the rushing. These set of 10 solid and sound honey light oak coloured country dining chairs comprise of 2 carvers and 8 side chairs. They are a genuine original set of 10 chairs! Having come from an arts and crafts and country furniture collection and been in the same family from original purchase c1900 to 1925 and well cared for. Sets of original 10 country dining chairs are becoming very hard to come by these days.
