Description

French cherry wood table with a lovely colour and stretcher base having two drawers and turned legs. This table is made around 1830 and is of peg construction. The frieze height is 23.5" so there is plenty of leg room. A lot of tables of this type were from Normandy. Altogether a useful and practical antique. Measurements: (76.5" x 33" x 30") ?For more photos or a more detailed condition report on any of these pieces please contact us any time
