Description

A stunning, fine and impressive rare antique 0.04 carat ruby, 1.63 carat diamond, 9 and 14 carat yellow gold, platinum and silver set bicycle brooch; part of our diverse antique jewellery collections. This stunning, fine and impressive, rare antique diamond brooch has been crafted in 9ct yellow gold with a silver setting, with a 14ct yellow gold and platinum set motif. The elongated bar brooch is ornamented with a central collet set Old European round cut diamond, flanked to either side with 5 further diamonds. The navette shaped bar supports an articulating emblem of a bicycle, suspended via two yellow gold chains. The bicycle is embellished with a feature millegrain collet set 0.25ct Old European round cut diamond to the chain rings; the platinum bike chain bears rope twist decoration. The hub of each wheel is embellished with further collet set Old European round cut diamonds, with the wheels accented with fifty-four mine cut diamonds. The platinum and 14ct yellow gold frame of the bicycle is embellished with a single collet set 0.04ct round faceted cut ruby, completing the design. This antique brooch secures to the reverse of the bar with a hinged pin and clasp...
