Description

These Walnut Hanging Wall Shelves are both elegant and rather charming. Showing elements of the Arts & Crafts Movement design in them, they are beautifully shaped and arranged. The sides have pierced fretwork designs that add lightness and the shelves have a very refined stopped chamfer detailing to the front edges. The lower shelf has a shaped apron to the underside adding further interest. Beautifully made and of real quality, these shelves would make a fantastic place to display your collectables on the wall.
