Description

A finely constructed and very smart antique mahogany military campaign style chest of drawers. This was made in England, it dates from around the 1930's. The quality is superb, this is a lovely and very useful size. The mahogany has a gorgeous colour tone and patina, offset beautifully by the brass military style handles and brass fixtures. The top section lifts off and this breaks down into two pieces for ease of transport. We have had this recently re-polished, the condition is excellent for its age. Just some minor wear remains here and there beneath the polish, commensurate for age. Width – 30.5 inches , 78 cm Depth – 15 inches , 38 cm Height – 32 inches , 82 cm
