Description

Rare Heals 1920's Chest in Original Silver Paint. It has been ten years since we have had a piece of Heals silver painted bedroom furniture into stock, they didn't make many pieces. This antique chest of drawers has two over three long and graduating drawers, they have finely cut dovetails and run smoothly, all the drawers have the original turned knob handles. This was an expensive range to produce, very good quality. Decorated with an original chip carved floral design around the front edge and the chest stands on original block feet. In very good, clean condition. Dates to 1920. Dimensions Height: 88cm (34.92") Width: 77cm (30.56") Depth: 48cm (19.05")
