Description

A fine George III Cuban mahogany drop leaf table, the leafs when fully extended by means of two pull out legs, to produce an oval shaped top. The legs are an absolute joy, a deep curved cabriole leg the top ears with a subtle swirl carving, the feet are a pointed pad, a great sign of quality Measuring Height 70 cms Width 105 cms Depth 36 cms and 120 when opened Condition Very good some very light cracking on the end of one of the leaves as photographed, some slight wear on the rule joint and small loss to one of the pad feet. Really heavy for such a relatively small piece
