Description

A square Edwardian mahogany side table, with a hinged top over a small storage area. The table stands on slim tapered legs and features an inlaid border to the top with a central circular inlaid design with a central ivory roundel, and a smaller star shaped inlay to the centre of the under shelf. Simple in design but with just the right amount of detail, this little table would suit many homes. Condition: There is a small area of damage to one corner of the top. The inlaid areas are slightly uneven (I have tried to show this in the last photo) and there is general minor surface wear in accordance with age and use. Otherwise in good solid condition. Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer. If you need an item by a certain date please speak to us prior to ordering and we'll try to help.
