Description

A lovely antique rug woven in the region of Cappadocia in central Turkey circa 1930. The rug features a large geometrical medallion on a terracotta field surrounded by an ivory border. Really attractive secondary colours including greens, golds and blues and a very decorative little rug. Size: 1.43m x 1.03m (4ft 8in x 3ft 5in) This rug is in good condition with light, age related wear, however the charcoal wool in the medallion has corroded (giving the design a raised effect) - see photos. Fringes taped to the back at the top and a little untidy at the bottom. Selvedges are secure and it has been professionally cleaned. Free worldwide shipping.
