Description

Old French Sturgeon, Caviar Trade Shop Sign This is a lovely old sign, it is French in origin, as are so many things to do with fine food. The sign is composed with a painted metal fish or Sturgeon (fins and all) which hangs from a wrought iron bracket The Sturgeon hangs swimming out from the wall, still sound condition with a bit of weathering to the paint, a very rare piece and well worth adding to any collection or it would be authentic shop decoration, especially where caviar might be found The sign is 19" high and 56" long and about 6" from side to side TDG136
