## Description

A 19th century mahogany lowboy of useful proportions, raised on square legs and fitted with three drawers above a nicely shaped apron. The mahogany shows a warm, mellow tone complemented by brass swan-neck handles. The drawer fronts retain their cockbeaded edges, all of which remain intact. Overall an attractive and practical piece. Item Reference: M-6655 . Dimensions: Height - 72cm/ Width - 82cm/ Depth - 49cm . **CONDITION REPORT:** In good antique condition. There are historic repairs to the front, as pictured. The top shows staining and areas of discolouration consistent with age and use. General surface wear is present throughout, in keeping with a piece of this period. The table is solid and sound, overall a good usable example.

Internal Ref: M-6655
