Description

An exceptional Regency period samovar dating from 1795-1837, showcasing the era's fascination with Egyptian design following Napoleon's campaigns. This magnificent piece exemplifies the Egyptomania that swept through British decorative arts during the early 19th century, when exotic motifs and classical forms merged to create objects of extraordinary beauty and cultural significance. Key Features: Authentic Regency period provenance (1795-1837) Egyptian-inspired decorative elements reflecting period Egyptomania Crafted in brass and copper with rich patina Dimensions: 33 x 25 x 23 cm Functional samovar design with decorative appeal Exceptional condition for age Historical Context: The Regency period marked a golden age of British design, characterised by elegance, refinement, and a passion for classical antiquity. This samovar captures the spirit of an era when tea-drinking rituals were elevated to social ceremonies, and every object in a refined household reflected taste, education, and worldliness.
