Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the rare solid 18ct rose gold Seamaster Deville with fully automatic 24 jewel calibre 552 movement. Model reference number 165.020 The Seamaster logo on the back of the case is bright and crisp. It is fully marked Omega on the dial, movement and case as you would expect. The watch has a perfect starburst textured dial that shimmers as it catches the light, it is totally original and has had no restoration. Its like new. The case has been ultrasonically cleaned and lightly hand polished to bring out the colour, it is absolutely pristine and looks like its spent most of its life tucked away in a drawer rarely worn. The serial number of the movement indicates a manufacture of 1962. The watch case measures 35mm in diameter not including the crown Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors, the best example we have seen for a long time. We can fit almost any colour or style of stra...
