Description

Antique 20th century bobbin turned chest of drawers in oak, a charming and highly desirable piece displaying classic period character and quality craftsmanship. The chest has two drawers to the front, both fitted with their original drop handles, and a raised gallery to the top, which adds both decorative interest and practical detail. The piece is stood on beautifully shaped bobbin turned legs, giving it a strong visual presence while maintaining elegant proportions. The oak shows gorgeous grain and warm, rich colour throughout, highlighting the quality of the timber and the care taken in its construction. Well made and in good condition, this chest of drawers is a very attractive and sought-after example. A practical yet characterful item, it would make a perfect addition to any home, ideal for use in a bedroom, hallway, or living space.
