Price

Sold**Item Reference: SA1195774****Date of manufacture: Before 1700**

Dimensions

Height = 173 cm (68.1")

Width = 117 cm (46.1")

Description

A beautiful, vibrant piece of history, cleaned, conserved and ready to display on your wall. Made in the second half of the 16th century, probably in the Southern Netherlands, this beautiful tapestry features a foreground of wild animals, with a wolf bottom left and an aerial perspective backdrop with a galleon at sea. A really special piece that at once entertains the eye and provides a lush backdrop. 3'10" x 5'8"
