Description

Antique 20th century fine quality chest of drawers in walnut, a beautifully crafted and highly desirable piece. Very well made and of fine quality, the chest features five drawers arranged as two small drawers over three larger drawers, offering both practicality and elegant proportions. The drawer fronts are beautifully carved and retain their original brass handles, adding character and authenticity. Stood on a plinth base, the piece has a strong and balanced presence. The walnut displays gorgeous grain and rich colour throughout, showcasing the quality of the timber. In good, solid condition, this is a rare find and a very desirable example. A perfect addition to any home, combining decorative appeal with everyday functionality.
