Date of manufacture: 19th Century

Description

A fine set of 12 Victorian mahogany chippendale dining chairs c1880 19th century. Comprising of 10 side chairs and 2 carvers, all beautifully carved with ball and claw feet. All 12 antique mahogany 19th century Chippendale dining chairs are in good condition consistent with their significant age. The two carvers have carved arms and all the chairs have further carved backs and legs set upon ball and claw feet. Sets of 12 dining chairs of this quality and age and impressive appearance are hard to come by these days
