Description

Antique silver Electa pocket watch, 1928. The watch has a 17-jewel (3 adjustments) stem-winding movement, identified as by Electa, which is working nicely. The movement is protected by an inner hinged cover. The watch measures 52mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside both of the case backs for Birmingham 1928, with a case maker's mark for Aaron Dennison, a Birmingham based case manufacturer and supplier to various watch makers. The case is in lovely condition. The acrylic lens is in lovely condition. The dial is in super condition with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
