Description

Worcester porcelain trio, Flight period, c. 1785. The teaware, finely potted with 'shanked' moulding, and beautifully hand painted with sprays of flowers, surrounded by smaller sprigs of flowers, and having gilt rims. The porcelain is actually a brilliant white, which has been difficult to convey in the images. I do have several more trios from this service available. Height of coffee cup – 6.3 cm, 2". Diameter of saucer – 14 cm, 5 1/2". Condition – Excellent. No damage. No restoration.
