Description

Circa 1900 Walnut Chest on Chest Englishwalnut chest on chest dating to the turn of the 20th century. Two-part construction with molded cornice over a series of graduated drawers, set on bracket feet. Good figured walnut to the drawer fronts with consistent color throughout. Original or early brass pulls and escutcheons. Drawers run as they should and the piece breaks down into two sections for transport. Uncomplicated late Victorian / early Edwardian form — clean lines with minimal ornament. Condition: Sound and usable. General age-related wear to finish including light surface marks and minor imperfections consistent with use. No major structural issues noted.
