Depth = 1 cm (0.4")

Description

WW2 Ebel RAF Issue Pilots Watch A.M. 6B/159 5648/42 – Dated 1942 Offered for sale is this seldom-encountered all stainless steel version of the Ebel RAF issue pilots watch. Slightly larger than other examples at 32mm diameter (excluding the oversized crown), this watch is fully signed throughout and presented in excellent original, unrestored condition. Recently fully serviced and in full working order, it retains: • A clean and clearly legible original dial • Deep blued original hands • Fixed strap bars • Correct large crown for gloved operation • Matching case numbers Many surviving examples were later redesignated with the “6B/234” back-up stores marking; however, this particular watch remains correctly marked 6B/159, which is especially desirable to collectors. An excellent and honest wartime example, worthy of any serious military watch collection. Price: £1,875.00 Inclusive of UK shipping.
