Description

These bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely antique brown bri wax giving them a stunning patina. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar antique mahogany or dark coloured furniture. The bedside cabinets stand on a square plinth supporting the main section. There is one large door with one panel and a metal drop handle. Behind the door there is plenty of storage space. Above the door is one large drawer with a fielded front which is a nice feature and a brass drop handle. The sides are panelled which is a sign of quality. The top is in good condition with a bull nosed edge. The height is 63cm, the width is 43cm and the depth is 41cm.
