Description

A19th century country house storage ottoman by Hallett & Sons of Weymouth. The needlework top and draped red velvet sides with tasselled trim make up a removable top covering that covers the lid which has a nice soft sprung interior. Of large proportions and in antique country house condition. As with all our upholstered seating we do offer upholstery should you wish. We can salvage the tassels and needlework top if you want to keep the current look but update the velvet.
