## Description

An elegant French Vernis Martin vitrine cabinet dating to the late 19th century, circa 1880. The cabinet retains its shaped marble top above a richly ornamented ormolu-mounted frieze. The glazed doors enclose glass shelving against a damask-lined interior, while the lower panels display charming hand-painted pastoral Vernis Martin scenes. Raised on slender cabriole legs with gilt bronze mounts, this is a refined Louis XV revival piece of excellent decorative presence. In excellent condition with light age-related wear. Height 161cm | Width 116cm | Depth 39cm
