Item Reference: SA1196281

Date of manufacture: 1900

Description

An early 20th Century bentwood magazine rack by Thonet retaining its original paper makers label to the underside. Stained in a deep, warm, almost oxblood tone with classic Thonet curves, it's sculptural from every angle. Hobo loves because: traditional yet super contemporary. The juxtaposition that we love. Holds it's on in the room.
