Description

Fantastic size to this large square footstool raised on 19th century turned mahogany legs. Currently finished in a lining fabric, so this is ready for your own choice of fabric (2m required) and will be upholstered within the price, but fabric is to be supplied by you...I can suggest various sources for upholstery fabrics or you may have something in mind already! Or, it can go as it stands here in the lining fabric for a reduction in price. The large square size gives generous space for a central Butlers tray to hold drinks etc and leaves plenty of room to out your feet up too...also the stool can be used for additional seating if and when required. Any queries re fabric, don't hesitate to get in touch. Measuring: 15 1/2 inches or 39.5 cm high 39 1/2 inches or 100.5 cm square
