Description

An absolutely stunning Swedish Art Deco inlaid marquetry drinks cabinet. This was recently imported from Sweden, it dates from around the 1930's. The quality is superb, this is beautifully made from a variety of inlaid woods and solid birch. The cabinet doors depict a wonderful classical scene of a man and woman, the various woods contrast beautifully against each other with different colour tones and grain patterns. This stands on lovely curved legs and has a nicely fitted interior with internal drawers, adjustable shelves and a mirrored section. We have had this stripped and re-polished to a very high standard, the condition is excellent. Width – 89 cm , 35 inches Depth – 43 cm , 17 inches Height – 120 cm , 47 inches
