Dimensions

Height = 139.5 cm (54.9")

Width = 87.5 cm (34.4")

Depth = 53.5 cm (21.1")

## Description

Unusual mid 19th.c. mahogany chiffonier side cabinet with shelves c.1860. Topped with a demountable two tier bookshelf (depth 7¼") on brass column supports in the manner of military campaign furniture. Over a long drawer and a two door cabinet with a single shelf inside (internal depth 18"), which can be positioned as required. Good mahogany veneers across the exterior, square door panels with raised mouldings and crossbanded surround. Brass drawer knobs and door trim. Fluted pilasters flanking the doors. Raised on unusual octagonal section feet. Interesting to note that whilst three of the feet are now fixed in place the rear right hand foot is removable with a threaded fitting - also a typical feature of campaign furniture. Some old marks and wear, generally very good colour and condition. Restored cleaned and waxed in our workshops. Cupboard key supplied. Width: 34.5" (87.5 cm) Height: 55" (139.5 cm) Depth: 21" (53.5 cm)

Internal Ref: 37684
