An outstanding antique French marble top painted cabinet. This was made in France, it dates from around the 1880-1900 period. It is of superb quality, this is a useful size and has a gorgeous inset rouge marble top. The cabinet is predominantly kingwood, and has gorgeous oil painting on the front door. There are extremely high quality gilt bronze ormolu mounts with exceptionally fine details all over. The interior is beautifully fitted out with mirrors and adjustable glass shelves. We have had this revived and re-polished, the condition is excellent for its age, with minimal wear. The marble top lifts off for ease of transport.
