Description

A fine and impressive antique 0.81 carat sapphire and 0.48 carat diamond, 18 carat yellow gold, palladium and silver set triple cluster ring; part of our collection of sapphire jewellery. This stunning, fine and impressive antique sapphire and diamond ring has been crafted in 18ct yellow gold with a palladium and silver setting. The oval-shaped setting features a three claw set cushion cut sapphires, totalling 0.81ct, in a linear formation. The feature gemstones are encompassed with sixteen eight cut diamonds, completing the trilogy cluster design. The flared, groove decorated ring shoulders blend seamlessly with the plain 18ct yellow gold ring shank. The interior of the shank is hallmarked with the 18ct gold mark (18CT) and this cushion cut sapphire ring in yellow gold has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold, palladium and silver. This impressive example of antique sapphire jewellery is supplied with an IDGL diamond and gemstone grading report card. This antique sapphire and diamond triple cluster ring features a bold three-cluster arrangement, allowing deep blue sapphires to contrast beautifully.
