Description

This is an exemplary example of a gents classic slimline wristwatch made by the world renowned premier maker International Watch Company or IWC. The IWC Calibre 401 movement is relatively rare, more refined and slimmer than the more famous calibre 89 and was made in much smaller numbers. Calibre 401 is fitted with Breguet hairspring, incabloc shock proofing and micro regulator - the watchmakers watch! The watch is 34mm in diameter without the winding crown. The dial is perfect having been professionally restored to new condition. IWC are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class indeed this is the best example we have had for many years. Overall this watch is in outstanding condition, it looks as if it was rarely worn, it would make the perfect gift for any gentleman. The watch has just been fully serviced and comes with a 1 year warranty. Its the little details that makes an IWC so special. We offer a highly personalised and bespoke service.
