Description

A rare mid 17thc latten spoon from the Puritan period ...the spoon is clearly punched with a clear maker's mark of three spoons to the top of the inside of the bowl..... the bowl has similarities to the earlier fig-shaped bowls than the later more ovoid bowls, that you find on trefid spoons..... in very nice condition, for its great age, and with no damage or repairs.... English. C1645-65.
